PROJECT PROPOSAL
Hypefive

MEMBERS:
Cainday, Bradley C.
Mentok, Almera G.
Tapispisan, Yves John B.
Ternal, April Joy A.
VIlla-Villa, Diana T.

OrgBee – an organization website that provides a centralized hub for streamlined management. Students can register effortlessly, engage on a community wall, and organization officers can post events easily. Detailed event listings include necessary requirements like registration fees and participant limits, with email notifications for updates. Additionally, the platform will have sections for announcements and a convenient archive for important files and media. Our goal is to create a user-friendly space that enhances organization and communication for all members.

Features:
- User/Student Registration
- Event Posting
    - Event Details
    - Event Requirements (ex: registration fee is required, no. of students that can be accomodated, location)
    - Event Notifications (via email)

- Announcements
- Freedom Wall
- Task Tracker (for organization officers)
- Important Files Archive (media & documents)
